Baton Rouge, LA 70804-4275

Re: Marginulina Ascensionensis Zone, Reservoir A
Robulus Chambersi 5 Zone, Reservoir A
East Lake Sand Field
St. Mary Parish, Louisiana

Dear Commissioner Asproditos:

Application is hereby made on behalf of **HUNT OIL COMPANY** for the calling of public hearings, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Marginulina Ascensionensis Zone, Reservoir A, and the Robulus Chambersi 5 Zone, Reservoir A, all in the East Lake Sand Field, St. Mary Parish, Louisiana:

1. To establish rules and regulations and to create a drilling and production unit for the exploration for and production of gas and condensate from the Marginulina Ascensionensis Zone, Reservoir A, and the Robulus Chambersi 5 Zone, Reservoir A, all in the East Lake Sand Field, St. Mary Parish, Louisiana, said units to be designated MA RA SUA and RC RA SUA, all as shown on the plats attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any future wells drilled to the Robulus Chambersi 5 Zone Reservoir A, and the Marginulina Ascensionensis Zone, Reservoir A, all in the East Lake Sand Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

4. To provide that the Commissioner of Conservation should be authorized to reclassify each of the sands and reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of each reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Marginulina Ascensionensis Zone, in the East Lake Sand Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 17,390 feet and 18,178 feet (electrical log measurements) in the Humble Oil & Refining – Kearney No. 2 Well, located in Section 12, Township 16 South, Range 8 East, Bayou Carlin Field, St. Mary Parish, Louisiana.

The Robulus Chambersi 5 Zone, in the East Lake Sand Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 17,639 feet and 19,432 feet (electrical log measurements) in the Louisiana Land & Exploration Co. (formerly Nerco Oil & Gas, Inc.) – State Lease 10251 No. 3 Well, located in Township 17 South, Range 8 East, St. Mary Parish, Louisiana.

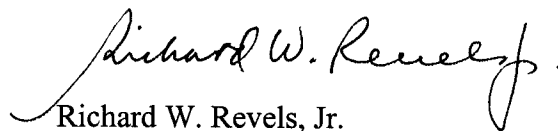

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from W. H. Robbins & Associates, 140 Rue Beauregard, Ste. 100, Lafayette, Louisiana 70508, Telephone No. 337/232-5004.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Wednesday, November 14, 2001, WILL NOT BE HELD.

Attached hereto and made a part hereof are plats outlining the applicant's proposals and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this pre-application notice is being mailed. Pursuant to the Revised Rules of Procedure, said plats (being the same plats attached to the pre-application notice dated October 24, 2001) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plats and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$1,400.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
